

## Windstar Makes Traveling Light Even Easier with New Luggage Forwarding

### ***Luggage Forward® Partnership Allows Guests to Say ‘Goodbye’ to Dragging Bags Through Airports and ‘Hello’ to Their Bags in Their Suites/Staterooms***

**Seattle, WA, July 16, 2018** – World travelers are all too familiar with the “bag drag,” the extra hustle and hurdles involved in getting their luggage from home to the great capitals of the globe. [Windstar Cruises](#) now offers guests a reprieve from lugging their luggage through airports, navigating customs, and re-checking to a final destination, with the addition of [Luggage Forward](#) service. Now, Windstar guests can ship their luggage from their doorstep directly to their ship’s accommodation (and home again), transforming the airport trek to traveling light, and they can do it with confidence.

Luggage Forward has more than a decade of experience and is recognized as the premier door-to-door, international luggage shipping service. They provide service to 200 countries and territories worldwide and a team of customs specialists handles all the country-specific paperwork to ensure seamless, on-time delivery. Travelers can track their shipment in real-time as it makes its way toward the ship. It is easy to book the service online, or by calling, and rates are transparent with no hidden fees or charges.

Travelers can take advantage of this new luggage delivery service partnership with total confidence: Bags are guaranteed to arrive safely and on time. Luggage Forward offers the world’s first money-back plus \$500 on-time guarantee.

“Windstar Cruises is very pleased to add this new luggage forwarding service to our selection of amenities and services,” said Windstar President John Delaney. “Our guests are pretty intrepid travelers with well-developed packing skills, but whatever size your bag is, not dragging it through the airport enhances the ease and freedom of your travel experience. We believe this front-door-to-ship accommodation service will be valued by our guests.”
