Even after guests board the ship, the special package price of \$89 per person may be purchased up through day two of the cruise.

Unbundled, these additional amenities total approximately \$124 per guest, per day including the beverage package typically priced at \$59 per guest, per day.

The \$89 “All-In Package” proved overwhelmingly popular with Windstar guests when recently available on select sailings.

Unlimited Wi-Fi allows guests to keep in touch with loved ones and share their vacation escapades while globe-trotting through Windstar’s signature small ports of call. Laundry Service is a practical perk that allows guests to streamline packing, save on luggage expenses, and is especially beneficial for guests sailing on water and beach-focused itineraries such as Tahiti or Costa Rica; as well as for guests who participate in adventurous explorations off the ship such as hiking, bike-riding, kayaking, and zip-lining.

The *Captain’s Exclusive Beverage Package* is the boutique line’s ultimate beverage package that includes all domestic and imported beer and 33 varieties of wine or sparkling wine by the glass plus cordials, liqueurs, aperitifs, cocktails, and mini-bar items. Cocktails are based on house and select brands, and guests may choose from more than 40 liquors such as Grey Goose, Hendricks, Johnny Walker Black, Ketel One, Glenfiddich, Hennessy, and more (brands rotate and are subject to availability.)

In addition, all guests always enjoy the following complimentary amenities on every Windstar cruise: all meals in all venues including featured menu selections from dozens of James Beard Foundation chefs who have sailed with Windstar as part of an exclusive partnership; 24 hour room service; all non-alcoholic beverages including specialty coffees and teas; complimentary water sports from the ship’s Watersports Platform in featured tropical ports; local cultural performances in select ports such as flamenco dancers in Almeria, Spain; special events such as Windstar’s Signature Sail Away and Signature Deck Party, and Signature Beach Party on select sailings; onboard activities including culinary and mixology classes, and enrichment lectures on numerous itineraries such as the Signature Expeditions program found on all Alaska cruises featuring in-depth talks from a team of marine biologists, glaciologists, and more, who sail alongside cruise guests.

For two guests purchasing the “All-In Package” sharing a suite or stateroom, the total savings amounts to \$240 per guest or \$480 total per couple, based on a 7-day cruise.
